steelseries ZBOARD
LIMITED EDITION KEYSET

steelseries
professional gaming gear

Product description

This keyset features the full breadth of in-game commands on color-coded keys across the board and a dedicated game panel designed to help improve the Aion gaming experience. With a series of quick-access emote keys, interacting with friends and foes on the battlefield is made simpler and more intuitive than ever. Intuitively grouped action keys on the game panel, including group leader specific commands, allows the character to battle and quest with ease, decreasing reaction time and increasing Actions Per Minute (APM) significantly – everything is designed to help the player dominate his enemies swiftly.

Special features

* 69 labeled keys including dedicated action keys, chat commands, menus, and more
* 24 quick-access emote keys to greet, intimidate, or taunt the character's foes
* Stunning official game graphics that immerse the player into the Aion universe
* SteelSeries Z Engine software allows full customization of each key

Availability date

September 2009
